New iSELECT Training Videos Now Available On-Demand!

June 30, 2025

Dear iAIRE Distributors,

We're excited to announce our recently published training video designed to help you get the most out of iAIRE's powerful online quoting and selections software—**iSELECT!**

Whether you're brand new to iSELECT or looking to sharpen your skills, this step-by-step video will walk you through the entire process of using the platform, from **signing up for an account** to completing a **full HVAC modification or system selection**—including generating a quote and a full submittal package.

Hosted by iAIRE's Vice President of Sales, **Chuck Eno**, this video is crafted to give you the confidence and know-how to navigate iSELECT with ease. Chuck's expertise and clear guidance make these videos a valuable resource for contractors, engineers, and reps alike and is now available as a convenient, on-demand reference tool.

What You'll Learn:

- How to access and navigate the iSELECT platform
- Creating and managing your iSELECT account
- Selecting HVAC system modifications or complete system options
- Generating accurate quotes and submittals—all in one seamless process

Where to Watch:

These videos are available **on-demand** and can be accessed anytime on:

- [iAIRE's YouTube Channel](#)
- [The Resources Page of iAIRE's Website](#)

Whether you're at your desk or on the go, these trainings are here when you need them. Take the next step in mastering iSELECT and streamline your HVAC project planning today!

Don't Forget!

Need a Custom Option? We've Got You Covered.

If you're working on a project and don't see the specific option you need in iSELECT, we're here to help. Just email sales@myiaire.com with your request, and we'll work with you to add a **custom "Z" option** to your iSELECT project.

Feedback or Questions?

We're committed to making iSELECT the most efficient and user-friendly HVAC selection tool in the industry. If you have feedback or suggestions for future updates, we'd love to hear from you!

Behind the Scenes at iAIRE: Meet the Production Support Team

At iAIRE, the hum of innovation is powered not only by our state-of-the-art HVAC manufacturing but also by the dedicated team that keeps everything moving smoothly behind the scenes—our **Production Support team**.

This group of unsung heroes ensures that the gears of production never grind to a halt. From purchasing the right parts at the right time to making sure finished units leave our doors on schedule, their roles are critical to every success we achieve.

Meet the Team:

Jestlany Perez - Office Manager

As iAIRE's Office Manager, Jestlany Perez is the organizational backbone of the team. She keeps day-to-day operations running smoothly with efficiency, professionalism, and a welcoming spirit. From coordinating administrative tasks to supporting multiple departments, Jestlany ensures everything stays on track. Her attention to detail and commitment to creating a positive work environment make her an invaluable part of the iAIRE family.

Vernon Stewart - Shipping & Receiving Supervisor

Vernon Stewart plays a key role at iAIRE as the Shipping and Receiving Supervisor, where he ensures the efficient flow of materials in and out of the facility. With a strong focus on accuracy, timeliness, and safety, Vernon brings dedication and attention to detail to every shipment. His leadership and logistical expertise help keep operations running smoothly and on schedule.

Silvana Murgueitio - Purchasing Administrator

Silvana Murgueitio serves as iAIRE's Purchasing Administrator, where she plays a vital role in maintaining the flow of materials and supplies that keep operations running efficiently. With a sharp eye for detail and a strong understanding of procurement processes, Silvana ensures timely and cost-effective purchasing while building strong relationships with vendors. Her reliability and proactive approach make her a key asset to the iAIRE team.
